State of The Community

The town's financial picture continued to improve in 1993. Through careful management of cash flow and diligence on the part of staff, interest on tax anticipation notes was limited to just over \$11,000, well below the \$20,000 projected. A significant decrease is projected for 1994 as well.

The town hired a new chief of police in 1993. With the help of a citizen committee and representatives from state, county and local law enforcement the selectmen chose Lt. Nathaniel "Chip" Sawyer from nearly 50 applicants. Chief Sawyer started in November of 1993. We are confident that he has the ability to be the kind of chief that the town can be proud of.

After a long wait the State completed the construction of a car top boat ramp on Pemigewasset Lake. This project will benefit the town and the surrounding area.

The Board of Selectmen began dealing with a number of issues in 1993 which will continue into 1994.

- A revised personnel policy was drafted in 1993. Review and implementation of the revised policy are this year's goals.
- A committee was appointed in 1993 to begin preparation for the implementation of Enhanced 911 in the town. They began by reviewing the activities of area towns and having discussions with officials of various organizations. There is much work to be done in 1994 before this can be implemented.
- A committee of citizens was asked to explore the possibility of expanding cable television in the town to those areas not currently covered by Continental Cablevision. This resulted in the identification of numerous issues to be dealt with and this effort will continue into 1994. At this point we have had preliminary discussion with two cable companies.
- A draft emergency management plan was completed in 1993. This was done with the assistance of the State Office of Emergency Management. Fire Chief Mike Drake was appointed as the Emergency Management Director during 1993.
- Quarterly sampling and testing continued at the old landfill in Bristol in 1993. As we move toward final closure of the landfill we will be addressing issues brought up by the state in 1992 with the goal being final approval of the landfill closure plan. Once approval is received we will be required to complete an engineering design after which the site will be capped and closed. Our current goal for completion of closure is 1996.

In addition to the above projects the Board of Selectmen has established the following goals for 1994:

- Review assessments in an effort to be pro-active and head off discrepancies in property assessments which develop naturally over time. An on-going review of assessments is a way to delay or avoid the time and expense of town-wide re-valuation.

Upgrade office equipment including the copier and computers. It is an important goal for 1994. The cost of a new copier is included in the Emergency management budget, enabling us to obtain matching funds through an Emergency Management Grant from the State. The old computers in the Selectmen's Office (five years old) and in the Town Clerk/ Tax Collectors Office (nine years old) have had numerous problems in the last year including replacement of hard drives and their limited capacity has prevented the installation of upgraded software. This hardware has become critical to the financial management of the town.

Finally, we would like to thank town employees for their efforts throughout 1993. We have a dedicated group which has worked hard for the town. In addition, to the numerous volunteers who give freely of their time to keep the town functioning, we extend our gratitude.

Thank you for your continued support,

Robert Jeffers
Mark Denoncour
Horace Boynton

1993 PROPOSED ZONING ORDINANCE AMENDMENT-

Amendment No. 1 Yes - 169 No - 85

Amendment No. 2 Yes - 178 No - 76

We had 252 regular ballots cast, 13 absentee ballots cast. Total of 265 votes out of 1025 voters in the Town. This averages out to 26%.

Respectively submitted,

Cynthia M. Hallberg
Town Clerk

March 13, 1993

State of New Hampshire

Town of New Hampton

Belknap County

Kenneth Torsey was sworn in to replace Patricia Torsey as ballot clerk who could not be present for the first few hours. Later on Patricia Torsey was sworn in for the remainder of the meeting.

Moderator, A. Alden Hofling opened the recessed meeting of March 9th at 10 O'Clock A.M. by saying that we will try to run a expeditious meeting as possible due to the blizzard forthcoming. The moderator then proceeded to read the Town Warrant:

To the inhabitants of the Town of New Hampton, New Hampshire, in the County of Belknap, qualified to vote in Town Affairs.

You are hereby notified to meet at the Town House on Tuesday, the 9th day of March next at eleven of the clock in the forenoon to cast your ballots for Town Officers and for questions required by law to be on the ballots. Polls to close not later than 7:00 P.M.

The remainder of the warrant will be acted upon at the New Hampton Town House, Saturday, March 13, 1993 at 10:00 A.M.

Pact 518 (Cub Scouts) presented the colors and Pledge Allegiance to the Flag.

Reverend Rusty Pettis gave the invocation.

The Moderator said based on the inclement weather that this meeting will be recessed. The recessed meeting would then be held at 7:00 P.M. on Wednesday of next week, March 17, 1993. The Moderator at this time recognized Robert Jeffers who is chairman of the Selectmen.

Robert Jeffers went on to say that in August of 1909 over 230 Towns in New England were given what is known as the Boston Post Cane. This was done in part of a campaign by the Boston Post for each Town to honor its oldest citizen. The cane is made of African Ebony and it has a shell of 14K gold on the head. Inscribed on the top of the cane it says, Presented by the Boston Post to the oldest citizen of New Hampton, New Hampshire, and (To be transmitted) which means to be passed down from person to person. The oldest resident in New Hampton is Lora Torsey. Robert Jeffers then presented Miss Torsey with the cane in honor of being the oldest resident in Town.

Robert Jeffers said that every year we give an award to a resident of the Town whose provided a great service to the Town. This years recipient was born and raised in New Hampton on a farm on Dana Hill Road owned by his grandfather, Frank Smith. His father, Wesley Smith, began in 1927 setting up the first apple trees for what we now no as Rockledge Orchard. He has worked in the Orchard since he was a small boy. Now he and his wife, June, carry on this tradition. He and his wife have raised three

children, Debra, Darlette and Glen and have been graced with their first grandchild, Hannah. He has also served on the Planning Board since 1987 and still is today and is currently the Chairman. He believes strongly in the democratic process. He has also served as the trustee for the Gordan Nash Library for many years. He has volunteered his services both the board of Selectmen and to the Town. We are proud to present this plaque to Bernard Smith.

The Moderator mentioned that the results of the March 9, 1993 elections are posted for anyone who wants to look at them. The Moderator then gave a brief resume of his procedures for voting at this meeting. The Moderator then proceeded on with the meeting.

ARTICLE #1 - To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same.

Bob Jeffers made a motion and he also moved that the Article be amended to \$341,825.00 and this was seconded by Red Boynton. Bob did a line by line explanation. The 2nd chose not to speak. After a short discussion the Moderator reread the Article and it was passed unanimously.

ARTICLE #2 - To see if the Town will vote to raise and appropriate the sum of \$339,820.00 for the support of Public Works, including the Highway Department and the Solid Waste Transfer Station/Recycling Center. This amount includes \$58,765.00 in Highway Block Grant Aid.

The Article was moved by Gordon Huckins and seconded by Change Parker. Gordon went over the highway budget first and then he went over the Solid Waste Transfer Station/Recycling Center budget of which he made an amendment to the Article to read: To see if the Town will vote to raise and appropriate the sum of \$341,820.00 for the support of Public Works, including the Highway Department and the Solid Waste Transfer Station/Recycling Center. This amount includes \$58,765.00 in Highway Block Grant Aid and \$2,000.00 for the purchase of a glass crusher for the recycle center. This was seconded by Change Parker. Gordon then turned this over to the second, Change Parker. After a short discussion the Moderator reread the amended Article and it passed unanimously. The Moderator then read the Article and it passed.

ARTICLE #3 - To see if the Town will vote to raise and appropriate the sum of \$100,000.00 for the resurfacing of Town roads.

The Article was moved by Gordon Huckins and seconded by Linda Amsden. After a short discussion the Moderator reread the Article and it passed unanimously.

ARTICLE #4 - To see if the Town will vote to raise and appropriate the sum of \$8,300.00 for new doors for the Highway Building. (By request).

The Article was moved by Gordon Huckins and seconded by Doug Smith. Gordon offered an amendment to the Article to read

\$7,786.00 and it was seconded by Doug Smith. After a short discussion the Moderator reread the amended Article and it passed unanimously. The Moderator then read the Article and it passed.

ARTICLE #5 - To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to purchase a tailgate spreader for graveling road shoulders. (By request).

The Article was moved by Gordon Huckins and seconded by Linda Amsden. After a short discussion the Moderator reread the Article and it passed unanimously.

ARTICLE #6 - To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to rebuild the deck on the box culvert over Wallace Brook near Cross Road. (By request).

The Article was moved by Gordon Huckins and seconded by Change Parker. After a short discussion the Moderator reread the Article and it passed.

ARTICLE #7 - To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for a part-time employee at the Transfer Station/Recycling Center. (By request)

The Article was moved by Gordon Huckins and seconded by Change Parker. Gordon asked the Moderator if he could make a slight change in the verification, at the request of the Auditors, from a part-time employee to part-time employees. The Moderator accepted it as a valid modification. After a short discussion the Moderator reread the Article and it passed.

The Moderator at this time requested to move Article #22 up to this point for discussion. This Article will be a ballot vote. A request was made by Peter Gulick that there was more important business to attend to. The Moderator then called for a yes or no vote to move Article #22. The voice vote passed to move Article #22 forward.

ARTICLE #22 - To see if the Town of New Hampton will vote to petition the United States Congress to designate the Pemigewasset River as a Wild and Scenic River, providing that such designation will be based on the locally developed river management plan, that there will be no federal land acquisition nor federal land management associated with the designation, and that the river area will not become a component of the National Park system nor be subject to the federal regulations governing lands in the system.

The Article was moved Bob Fischer and seconded by Clare Eckert. After a long discussion the Moderator asked if anyone wanted him to reread the Article that he would. The Moderator then said to write yes on the ballot if you are in favor of the Article and to write no if you are not in favor of the Article. There was a total of 126 Ballot votes.

Yes - 72 No - 54

The Moderator declared Article #22 in the affirmative.

ARTICLE #8 - To see if the Town will vote to raise and appropriate the sum of \$164,695.00 for the support of the Police Department.

The Article was moved by Doug Salmon and seconded by Wallace Orvis. After a short discussion the Moderator reread the Article and it was passed unanimously.

ARTICLE #9 - To see if the Town will vote to raise and appropriate the sum of \$14,250.00 for the purchase of a new police cruiser, fully equipped. (By request).

The Article was moved by Doug Salmon and seconded by Gordon Huckins. After a short discussion the Moderator reread the Article and it was passed.

ARTICLE #10 - To see if the Town will vote to raise and appropriate the sum of \$1,795.00 for the purchase of scanners, rechargeable flashlights, and a portable radio. (By request)

The Article was moved by Doug Salmon and seconded by Gordon Huckins. Doug Salmon presented an amendment to read: To see if the Town will vote to raise and appropriate the sum of \$1,380.00 for the purchase of (2) scanners, (2) rechargeable flashlights, and a portable radio. After a short discussion the Moderator reread the amended Article and it passed. The Moderator then read the Article and it passed.

Chief Salmon then gave his resignation which will take effect on July 1, 1993. We wish Doug the best and we will all miss him as he is very well thought of by everyone in Town.

ARTICLE #11 - To see if the Town will vote to raise and appropriate the sum of \$39,914.00 for the support of the Fire Department, Forest Fires and Emergency Medical Service.

The Article was moved by Mike Drake and seconded by David Clement. Mike made an amendment to the Article to read - To see if the Town will vote to raise and appropriate the sum of \$42,623.00 for the support of the Fire Department, Forest Fires and Emergency Medical Services and there was a second. After a long discussion the Moderator reread the amended Article and he said it was defeated. The Moderator was questioned on the voice vote he then asked for a show of hands and the amended Article was carried. The Moderator then read the Article and it was passed.

ARTICLE #12 - To see if the Town will vote to raise and appropriate the sum of \$14,100.00 for the Fire Department: \$5,000.00 for the purchase of hose and fittings, \$3,700.00 for the purchase of radio equipment, \$1,661.00 for the purchase of a boat motor, \$540.00 for the purchase of tools and supplies, \$1,199.00 for the purchase of office equipment and supplies, and \$2,000.00 for the purchase of a computer, software and a printer. (By request)

The Article was moved by Mike Drake and seconded by Vince Governanti. Mike Drake made a motion to amend the Article to read - To see if the Town will vote to raise and appropriate the sum of \$12,361.00 for the Fire Department: \$5,000.00 for the purchase of hose and fittings, \$3,700.00 for the purchase of radio equipment, \$1,661.00 for the purchase of a boat motor and \$2,000.00 for the purchase of a computer, software and a printer. This amendment was seconded. After a short discussion the Moderator reread the amended Article and it passed. The Moderator then read the Article and it passed.

Fran Wendelboe made a motion to adjourn the meeting and it was seconded at 2:03 P.M. The Moderator asked all those in favor of adjourning the meeting and everybody was in favor. The recessed meeting to be held on Wednesday, March 17, 1993 at 7:00 P.M.

RECESSED TOWN MEETING
MARCH 17, 1993

The Moderator opened the recessed meeting of March 13, 1993 at 7:04 P.M. The Moderator let Larry Blood speak who made a motion to limit reconsideration of Article #22. This was seconded by Ken Kettenring. After a short discussion the Moderator read the motion not to reconsider Article #22 for the remainder of this meeting and the ayes have it not to reconsider.

ARTICLE #13 - To see if the Town will vote to raise and appropriate the sum of \$50,000.00 to be placed in the Capital Reserve Fund for the future purchase of fire apparatus. (By request)

This Article was moved by Mike Drake and seconded by Dave Clement. After a short discussion Fran Wendelboe made an amendment to the Article to reduce the amount of \$50,000.00 for capital reserve to \$20,000.00 and this was seconded by Kevin Provencher. Fran Wendelboe requested a ballot vote. Five people raised their hand and the Moderator granted the ballot vote on the amendment. The Moderator reminded everyone that before they vote - to vote yes to reduce the \$50,000.00 to \$20,000.00. Vote no if you want to keep it at the \$50,000.00. The results of the ballot votes were there was a total of 76 votes.

Yes - 31

No - 44

1 - Blank

The amendment was defeated. Back to the original article. After a short discussion the Moderator reread the Article and it passed.

ARTICLE #14 - To see if the Town will vote to raise and appropriate the sum of \$5,150.00 in wages for the following positions: Deputy Chief salary, Engineer salary, Assistant Engineer salary, and EMT hourly wages.

The Article was moved by Mike Drake and seconded by Vince Governanti. After a short discussion the Moderator reread the article and it passed.

ARTICLE #15 - To see if the Town will vote to raise and appropriate the sum of \$40,000.00 and to place same in the Landfill Closure Capital Reserve Fund.

The Article was moved by Red Boynton and seconded by Linda Amsden. After a short discussion the Moderator reread the Article and it passed unanimously.

ARTICLE #16 - To see if the Town will vote to raise and appropriate the sum of \$31,736.15 for the support of Regional Associations; Community Action Program \$4,423.00; Bristol Community Center \$4,926.00; Lakes Region Planning Commission \$1,550.00; Newfound Area Nursing Association \$8,670.00; Newfound Ambulance Service \$8,989.83; Youth Services Bureau \$2,877.32; Lakes Region Community Services Council \$300.00.

The Article was moved by Red Boynton and seconded by Peter Gulick. After a short discussion the Moderator reread the Article and it passed.

ARTICLE #17 - To see if the Town will authorize the Board of Selectmen to spend no more than \$7,500.00 encumbered in the Main Street Repair Fund for the purpose of widening and curbing Route 132 South adjacent to property of the New Hampton Community Church. The expenditure is to be contingent upon the State of New Hampshire providing matching funds in an amount of one and one-half times the amount expended by the Town. Upon completion of the project and payment of all expenses, any unexpended balance of the Main Street Repair Fund is to be returned to the general fund of the Town.

The Article was moved by Mark Denoncour and seconded by Howard Amsden. Larry Blood said that this money has no effect on the 1993 tax rate and this money has already been appropriated for before. After a short discussion the Moderator reread the Article and it passed.

ARTICLE #18 - To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the support of the New Hampton Community Kindergarten.

The Article was moved by Mark Denoncour and seconded by Hope Clement. Mary Dade made a motion to amend the article to read - To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for the support of the New Hampton Community Kindergarten. This was seconded by Peter Gulick. After a short discussion the Moderator reread the amended Article and it passed. The Moderator then read the Article and it passed.

ARTICLE #19 - To see if the Town will vote to raise and appropriate the sum of \$400.00 for the support of the hospitals; Mary Hitchcock Memorial Hospital, Franklin Regional Hospital, Lakes Region General Hospital and Spear Memorial Hospital.

The Article was moved by Mark Denoncour and seconded by Red Boynton. June Smith made a correction that Mary Hitchcock Memorial Hospital should read Dartmouth Memorial Hospital. After a short discussion the Moderator reread the article and it passed.

ARTICLE #20 - To see if the Town will vote to raise and appropriate the sum of \$500.00 for the support of New Beginnings. (By petition)

No one moved the Article and the Moderator declared that this article is passed over.

ARTICLE #21 - To see if the Town will vote to adopt the provisions of the Municipal Budget Law and further, to see if the Town will vote to form a budget committee of six (6) elected members-at-large, pursuant to RSA 32:2, and to elect said members by non-partisan ballot, pursuant to RSA 32:3.

The Article was moved by Peter Gulick and seconded by Steve Dazet. After a long discussion the Moderator reread the Article and it was defeated.

ARTICLE #23 - To see if the Town will vote to adopt the provisions of the proposed New Hampton Solid Waste Ordinance, intended for the orderly disposal of solid waste.

The Article was moved by Bob Jeffers and seconded by Red Boynton. After a short discussion the Moderator reread the question and it passed.

ARTICLE #24 - To see if the Town will authorize the Board of Selectmen to convey property identified on the Town tax map as R-20 Lot 59 to Leslie and Sylvia Downing.

The Article was moved by Bob Jeffers and seconded by Red Boynton. After a short discussion the Moderator reread the Article and it passed unanimously.

ARTICLE #25 - To see if the Town will authorize the Board of Selectmen to accept on behalf of the Town, gifts, legacies and devises made to the town in trust for any public purpose, as permitted by RSA 31:19.

The Article was moved by Bob Jeffers and seconded by Red Boynton. After a short discussion the Moderator reread the Article and it passed unanimously.

ARTICLE #26 - To see if the Town will authorize the Board of Selectmen to apply for, accept and expend, without further action by Town Meeting, money from state, federal or other governmental unit or a private source which becomes available during the year, in accordance with RSA 31:95-b.

The Article was moved by Bob Jeffers and seconded by Red Boynton.

After a short discussion the Moderator reread the Article and it passed unanimously.

ARTICLE #27 - To see if the Town will authorize the Board of Selectmen to accept gifts of personal property which may be offered to the Town for any public purpose, pursuant to RSA 31:95-e.

The Article was moved by Red Boynton and seconded by Mark Denoncour. After a short discussion the Moderator reread the article and it was passed unanimously.

ARTICLE #28 - To see if the Town will authorize the Board of Selectmen to dispose of property, acquired by Tax Collector's deeds, by public auction, advertised sealed bid, or as justice may require, pursuant to RSA 80:80.

The Article was moved by Red Boynton and seconded by Mark Denoncour. After a short discussion the Moderator reread the Article and it was passed unanimously.

ARTICLE #29 - To see if the Town will authorize the Board of Selectmen to borrow money in anticipation of taxes.

The Article was moved by Bob Jeffers and seconded by Red Boynton. After no discussion the Moderator reread the article and it passed unanimously.

ARTICLE #30 - To see if the Town will authorize the Board of Selectmen to trade or sell any unusable equipment or materials.

The Article was moved by Red Boynton and seconded by Mark Denoncour. After a short discussion the Moderator reread the Article and it passed unanimously.

ARTICLE #31 - To transact any other business which may legally come before this meeting.

1. Pat Torsey wanted to remind everyone that Saturday is the School Meeting.
2. Gordon Huckins asked the Moderator to have a show of hands to direct the Selectmen that somewhere in their budget to find \$2,650.00 to pay the Town's share of Chief Salmons Blue Cross/Blue Shield the remainder of this year (July 1 to Dec. 31, 1993) or until no longer needed. This would be a small token of appreciation. Selectmen, Red Boynton stated that he certainly had no problem with this request but he did not think that this could be done legally. The Moderator said that money could not be asked for under this article. Fran Wendelboe asked if it was possible to reconsider under the General Town Budget which the Moderator indicated would be Article #1. Larry Blood made a motion to reconsider Article #1. The Moderator said that those in favor of reconsidering Article #1 signify by saying aye. The ayes had it with one aye. The moderator went on to say that Article #1 was to raise \$341,825.00 to defray Town charges for the ensuing year and make appropriations of the same. Gordon Huckins made an

amendment to increase the article by \$2,650.80 to be applied to Blue Cross/Blue Shield from July 1, 1993 to December 31, 1993 as long as needed. This was seconded by Ken Kettenring. The Moderator reread the amendment and it was passed unanimously. The Moderator then reread the Article - To raise such sums of money \$344,475.80 to defray Town charges for the ensuing year and make appropriations of the same. There was no discussion and those in favor signify by saying aye. The ayes have it unanimously.

3. Ken Torsey - questioned if the Tax Collector will be able to take prepayment of taxes for the ensuing year. The Moderator noted that there was no article in this warrant. The Selectmen noted that it does not have to be in every year.
4. Gordon Huckins - said that there are two public servants, one being Sam Blake who has worked for the Town for 50 years and full time 20 years. The town did not get into N.H. Retirement system early enough so that he could retire and and right now his retirement is so small. The second person is Elaine Seaver who has been with the town for 20 years and she too has been here longer than the Town has been in the N.H. Retirement system. Gordon asked if the Selectmen could next year to put an Article in the Warrant for buying time in the Retirement system for Clifton "Sam" Blake and Elaine Seaver. Gordon then asked for a show of support. The Moderator then asked for a show of hands from the floor for those in support of the motion. It was unanimous.
5. Wally Orvis - had a question on the Tax Collector's report on "in Lieu of Taxes".
6. Bob Jeffers thanked Doug Salmon for all the years he has given to the Town. Doug will be a hard person to replace.

Peter Gulick made a motion to adjourn and it was seconded by Dave Clement. The Moderator then adjourned the meeting at 9:55 P.M.

Respectively submitted,

Cynthia M. Hallberg
New Hampton Town Clerk

1994 Town Warrant

The State of New Hampshire

To the inhabitants of the Town of New Hampton, New Hampshire, in the County of Belknap, qualified to vote in town affairs:

You are hereby notified to meet at the Town House on Tuesday, the 8th day of March next at eleven of the clock in the forenoon to cast your ballots for town officers and for questions required by law to be on the ballots. Polls to close not later than 7:00 P.M.

The remainder of the warrant will be acted upon at the New Hampton Town House, Saturday, March 12, 1994 at 10:00 A.M.

1. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same. (Recommended by the Board of Selectmen)
2. To see if the town will vote to raise and appropriate the sum of \$355,595.00 for the support of Public Works, including Highway and Solid Waste. This amount includes \$58,324.29 in Highway Block Grant Aid. (Recommended by the Board of Selectmen)
3. To see if the town will vote to raise and appropriate the sum of \$100,000.00 for the resurfacing of town roads. (Recommended by the Board of Selectmen)
4. To see if the town will vote to raise and appropriate the sum of \$11,000.00 to be used to replace the roof of the highway garage. (Recommended by the Board of Selectmen)
5. To see if the town will vote to raise and appropriate the sum of \$164,486.00 for the support of the Police Department. (Recommended by the Board of Selectmen)
6. To see if the town will vote to authorize the Selectmen to enter into a lease/purchase agreement for the purpose of obtaining a new police cruiser, fully equipped, and to raise and appropriate the sum of \$10,912.73 for the first year's payment for that purpose. (Recommended by the Board of Selectmen)
7. To see if the town will vote to raise and appropriate the sum of \$3,200.00 for the purchase of portable radios. (Recommended by the Board of Selectmen)
8. To see if the town will vote to raise and appropriate the sum of \$60,141.00 for the support of the Fire Department, including Forest Fires, Emergency Medical Services and Emergency Management. This amount includes \$8,015.00 in Emergency Management Grant aid. (Recommended by the Board of Selectmen)

9. To see if the town will vote to raise and appropriate the sum of \$100,000.00 for the purchase of a fire rescue vehicle and authorize the withdrawal and expenditure of \$83,000.00 from the Fire Department Apparatus Capital Reserve Fund for this purpose.
(Recommended by the Board of Selectmen)
10. To see if the town will vote to raise and appropriate the sum of \$15,000.00 for the purchase of extrication equipment. This amount includes \$4,500.00 in Highway Safety Fund grants.
(Recommended by the Board of Selectmen)
11. To see if the town will vote to raise and appropriate the sum of \$20,000.00 for the repair of fire apparatus.
(Recommended by the Board of Selectmen)
12. To see if the town will vote to raise and appropriate the sum of \$14,175.00 for the repair of the roof of the fire station.
(Recommended by the Board of Selectmen)
13. To see if the town will vote to raise and appropriate the sum of \$20,000.00 and to place same in the Landfill Closure Capital Reserve Fund. (Recommended by the Board of Selectmen)
14. To see if the town will vote to raise and appropriate the sum of \$9,950.00 for preparation of a final closure plan for the landfill.
(Recommended by the Board of Selectmen)
15. To see if the town will vote to raise and appropriate the sum of \$5,000.00 for purchase of office equipment, including computer hardware and software. (Recommended by the Board of Selectmen)
16. To see if the town will vote to raise and appropriate the sum of \$34,108.77 for the support of regional associations; Bristol Community Center \$5,500.00; Community Assistance Program \$4,423.00; Lakes Region Community Services Council \$300.00; Lakes Region Planning Commission \$1,661.00; Newfound Area Nursing Association \$8,725.00; Newfound Ambulance Service \$10,622.45; and Youth Services Bureau \$2,877.32.
(Recommended by the Board of Selectmen)
17. To see if the town will vote to raise and appropriate the sum of \$23,000.00 to purchase time in the NH Retirement System for years of service prior to 1985 (when the town began participating) for two current employees. (Recommended by the Board of Selectmen)
18. To see if the town will vote to raise and appropriate the sum of \$3,000.00 for the support of the New Hampton Community Kindergarten. If the Newfound Area School District annual meeting approves public kindergarten then this appropriation will lapse.
(Recommended by the Board of Selectmen)
19. To see if the Town will vote to raise and appropriate the sum of \$400.00 for the support of hospitals; Dartmouth-Hitchcock Medical Center, Franklin Regional Hospital, Lakes Region General Hospital and Speare Memorial Hospital. (Recommended by the Board of Selectmen)
20. Shall we adopt the provisions of RSA 72:28, V for an optional veterans' tax credit and an expanded qualifying war service credit for veterans seeking the tax credit? The optional veterans' tax credit is \$100, rather than \$50. (Requires a ballot vote)
21. Shall we adopt the provisions of RSA 72:35, IV for an optional tax credit on the taxes due on residential property for a service-connected total disability? The optional disability tax credit is \$1400, rather than \$700. (Requires a ballot vote)

22. To see if the town will vote to authorize the Board of Selectmen to accept, on behalf of the town, gifts, legacies, and devises made to the town in trust for any public purpose, as permitted by RSA 31:19.

23. Shall the town accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year?

24. To see if the town will vote to authorize the Board of Selectmen to accept gifts of personal property which may be offered to the town for any public purpose, pursuant to RSA 31:95-e. The Selectmen must hold a public hearing before accepting such gift, and the acceptance shall not bind the town to raise, appropriate or expend any public funds for the operation, maintenance, repair or replacement of any such personal property. This authorization shall remain in effect, indefinitely until rescinded.

25. To see if the town will authorize the Board of Selectmen to dispose of property, acquired by tax collector's deeds, by public auction, advertised sealed bid, or as justice may require, pursuant to RSA 80:80. This authorization shall remain in effect indefinitely, until rescinded.

26. Shall the town accept the provision of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes?

27. To transact any other business which may legally come before this meeting.

Given under our hands and seal this 17th day of February, in the year of our Lord nineteen hundred and ninety-four.

Robert W. Jeffers
Mark T. Denoncour
Horace E. Boynton
SELECTMEN OF NEW HAMPTON

Mark T. Denoncour
Horace E. Boynton
Board of Selectmen

Auditor's Report

This is to certify that we have examined the accounts of the Selectmen, Treasure, Conservation Commission, Sarah Dow MacGregor Scholarship Fund, Trustees of Trust Funds, the Town Clerk and Tax Collector for the year ending December 31, 1993 and believe them to be correct to the best of our knowledge and belief.

There has been a marked improvement in cash flow as a result of installing a computerized cash receipts program. The end result is less borrowing and therefore lower interest expense.

New Hampton Police Department

1993

Annual Police Report

As most of you are aware, M. Douglas Salmon resigned from the department in July of this year after eleven years as Chief. For those of you who know Doug, it goes without saying that he will be greatly missed. Subsequently, I was hired in October and started working for you on November 1, 1993. In the short period of time, that I have been here I found my welcome to be more than pleasant, and I am looking forward to that relationship growing.

One of the first things that I had to attack was the 1991 Ford cruiser. Upon my arrival, the vehicle was not fit for duty, and had only been used for details. The vehicle was taken to Irwins, and at that time I learned that it needed brakes, exhaust, and one of the cylinders in the engine was bad. They advised me at this time that due to the high milage, it would not be cost effective to fix it, but that we could probably use it for a short period of time. Therefore, as you can see from the Town Warrant, I am asking for a new cruiser. The cruiser I would like to purchase is identical to the one we have now.

I would like to speak to the budget. In considering this year's budget, I initially found myself at somewhat of a disadvantage, only having been here for a short period of time. After starting to settle in, and getting a better feel for the Town and you, I offered a budget that I felt would provide the services and at the same time not impact the tax rate substantially. First, we (the Selectmen and I) chose not to fund the fifth police officer's position that is currently vacant. I felt that I could supplement the busy times, weekends and the time between Memorial Day and Labor Day, with part time officers. Although the difference in dollars is approximately 3%, had we funded the position the amount would have risen approximately 8%.

You will see a warrant article for the purchase of new portable radios. The reason I am making this request is, currently the department owns three portable radios. One is new (purchased in 1993), one is ten years old and the other is fifteen years old. Because I feel that a portable is an officer's life line while away from the cruiser, what I would like to do is to be able to purchase new portable radios and issue them to the officers. This way they are taken better care of, the batteries will last longer and we can be sure that the officer has that constant communication available.

At this time I would address some of the goals of the department for the coming year. We plan to sponsor a bike safety program this spring. Just recently we started an Officer Friendly program in the New Hampton School Childcare Co-op, which we plan to maintain and hopefully expand it to the Community School.

In closing, I would like to stress to every citizen, IF YOU SEE SOMETHING THAT SEEMS TO BE OUT OF PLACE OR WRONG, PLEASE CALL US, I WOULD MUCH RATHER RESPOND AND FIND NOTHING, THAN TO RESPOND SOMETIME LATER ONLY TO FIND THAT SOMEONE HAD SEEN SOMETHING AND NOT CALLED. If I can be of any assistance to anyone, my door is always open.

Respectfully yours,

Nathaniel H. Sawyer, Jr.
Chief of Police

New Hampton Fire Department

1993 Report

1993 was a busy year for the Fire Department. Our EMS and fire calls were up from the previous year, and kept everyone quite busy. This past year we applied for and received Federal Grant money that allowed us to purchase rescue, forestry, and radio equipment that we were in need of. The air bags allow us to pick up objects or stabilize them by inflating with air and a class A foam proportioner can be used in structural fire-fighting as well as forest fires. We also bought pagers and radios for the members who were in need of new ones. Some of the unspent monies went back into the towns general fund.

This year you will see some changes in the Article which pertains to the Fire Department operating budget. We have included EMS and Forestry in the Fire Department budget and have established an emergency management budget which is matched with federal grant monies. This money offsets emergency management administrative costs and supplies that are used in the planning and preparation for disasters, such as, earthquakes, hurricanes, storms, floods, ect.. It allows towns to be prepared for incidents such as these by reviewing, updating, training, and exercising the actual plans.

We are asking the town to replace the 1973 rescue vehicle this year instead of replacing the fire truck. We are in more need of a rescue vehicle that is dependable and can carry equipment right now. The new rescue will be able to carry more equipment without being over loaded and should provide us with a good many years of dependable service. The Fire Truck replacement will be moved out to 1997. We will be asking the Selectmen to take out of service the old truck, van, and rescue this year and sell them for whatever we can get for them. Also, we will be asking the Town to appropriate funds for the purchase of extrication equipment. We have applied for and received confirmation on a grant from highway safety funds for this purpose, subject to approval at Town meeting.

The fire station roof is in need of repairs, and we have an Article to be discussed on this matter. It is over 20 years old, and leaks in numerous places. We have done some patch work on it over the years and shovel it during the winter to try to keep it from leaking, but it keeps getting worse each year. I've been advised by a company that this type of roof should be in need of some work after 20+ years.

We have a request in to repair one of the trucks currently in service. It is the 1974 International which needs work on the lower half due to the rust damage. We have patched it a few times but eventually there isn't going to be anything left to patch. This truck once repaired will provide a dual role within the department. It will be set up to handle our Forestry need as well as responding to our other calls. Next year we will be looking at getting the rust repaired on the 1985 engine.

In closing I wish to thank all the members of the Fire Department for all the time and energy put into the Department. Without their dedication

and support we wouldn't be able to provide the level of service that we do to the community. I wish also to thank all the members of the community who support us through out the course of the year and at Town meeting.

Remember to take a minute to check your smoke detectors, the life you save may be yours!

Respectfully submitted,

Michael A. Drake
Fire Chief

Forest Fire Warden

1993 Report

During the 1993 calendar year, the town and state experienced an average number of wildfires. The three leading causes of these fires were campfires left unattended, unsupervised children, and debris fires that escaped control. All of these fires are preventable, but only with your help.

The local fire department is responsible for suppressing forest fires. Please help us by obtaining a fire permit before kindling an open fire.

The Division of Forests and Lands assisted many towns in wildland fire suppression during 1993 and participated in many fire prevention programs. This year, the nation is celebrating Smokey Bears 50th anniversary. The State Forest Protection Bureau will be working with many communities to spread the fire prevention message - "Remember ... only YOU can prevent forest fires." Fire prevention is the most cost effective fire suppression tool we can use.

If you have any questions regarding New Hampshire Forest Fire Laws, please contact myself, the local Forest Ranger, or the Division of Forest and Lands at 271-2217. Please be careful around fires and help us and our community to have a fire safe year.

Respectfully submitted,

Michael A. Drake

New Hampton Highway Department Report

Your Public Works employees had a very busy and productive year in 1993. Early in the summer, we paved over the grindings put down in the Fall of 1992, on Lower Oxbow Road. Victor Huckins Road got a new look as we widened, ditched, ground existing pavement and laid down six inches of asphalt grindings. Beech Hill Road was lost in the mud season of 1993. We ground up what pavement was left and laid down a fabric material over the entire road. Six inches of crushed bank gravel covered the fabric. Four inches of asphalt grindings were added this Fall, making it ready for paving in 1994. While in the area, the asphalt on Edgerly Hill was ground up. We widened and ditched this area before again adding grindings, making it ready for paving in the summer.

Our biggest project and most costly was grinding, widening and ditching the balance of Blake Hill Road. This also had grindings laid down (to be paid for out of 1994 Highway Block Grant money) to make it ready for 1994.

As stated above we have a lot of roads waiting for paving this year. This will account for most of the Highway Block Grant money as well as the \$100,000 warrant article. We also want to grind both ends of Straits Road and pave same if there is money left to do so.

You will find a warrant article for a new roof on the highway building. This has been a problem for many years and continues to get worse. Both rain water and ice backup water, rain down on supplies and electrical boxes causing wet floors and damaged supplies as well as electrical breaker switches tripping off. We are proposing to add insulation and a rubber roof over the existing one. This would come with a 20 year material and 10 year labor warranty. I feel this is most important before it leads to more damage to building and contents.

Our Transfer Station and Recycle Center have proven to be very efficient centers to take care of the town's disposables and recyclables. As voted at the 1993 Town Meeting, we hired a part-time person to work in the Recycle Building. My thanks go to Erwin Seaver for his interest and dedication to making our recyclables a positive revenue to the town. I also wish to thank Gene Wallace for his many volunteer hours which he gives to the town each week helping with the recyclables.

Thanks also go to Sam, Stan, Doug and Bill for helping to make your Highway Department accomplish so much. Thank you Bob, Mark and Red for your support. Most of all, thanks go to you the Townspeople, the taxpayers, for supporting us with your tax dollars and appreciation.

Thank you,

Gordon Huckins

Solid Waste and Recycling Committee Report

The New Hampton Transfer Station/Recycling Center has completed its second full year of operation with continued success. Bill Chase and Stanley Huckins, under the direction of Road Agent Gordon Huckins, have done an excellent job in managing the facility.

In 1993 the town voted to add a part-time employee to man the recycling building. Erwin Seaver was hired and has done a fine job, sorting and baling materials and keeping the building organized and neat. Unfortunately, with Erwin's hiring the number of recycling volunteers has dropped even further. Volunteers are needed to supplement Erwin's efforts. It is easy and is also a great way to learn more about the process. If you can offer even an hour here and there please see Bill Chase or Gordon Huckins or talk to a member of the Solid Waste and Recycling Committee.

The level of recycling continued at about 20% in 1993. This represents an increase in the total tonnage as the landfilled waste also increased by about 15%. The state-wide goal is for 40% of the waste stream to be recycled.

The 1994 goals for the Solid Waste and Recycling Committee are to conduct additional education with the hope of boosting the percent of materials recycled and to increase the number of recycling volunteers. We would appreciate your support in achieving these goals.

SOLID WASTE ADVISORY COMMITTEE

Change Parker
Bill Chase
Clare Eckert
Bob Jeffers

New Hampton Conservation Commission

The Commission has been carrying on with ongoing projects. We reviewed several wetlands applications, mostly low impact projects and maintenance type work.

We were encouraged that New Hampton voters turned out in favor of supporting the Pemigewasset Wild and Scenic River study. The river is a wonderful natural resource. It would be unfortunate to exploit it merely for monetary gain.

Jim Felch has been working on delineation of the New Hampton section of the Heritage Trail. It appears now that it may come up the east side of the river from Sanbornton and cross over at the Route 104 bridge. Details still need to be worked out. However, this seems to be a good approach.

The new boat access on Pemigewasset Lake is nearly complete. This will provide the general public with an easy approach to the lake for canoes or small boats. Several parking spaces have been provided. This should help to make available this natural area for your enjoyment.

Bill Huckins
Chair

Planning Board Report

The following report summarizes decisions made by the New Hampton Planning Board on behalf of the town and its residents during the fiscal year 1993. The New Hampton Planning Board has conducted and completed approval of 2 new subdivisions involving a total of 5 new lots. Also reviewed were 2 site plan review applications and 1 boundary line adjustment. Fees collected for 1993 totaled \$617.75. Currently there are in excess of 121 vacant lots.

In 1993 the New Hampton Planning Board defined a new sign ordinance. Federal Flood Insurance guidelines determined by FEMA, Pemigewasset River overlay clarifications, Zoning Regulation changes and road acceptance regulations were also reviewed at two hearings. A ballot vote on March 8, 1994 will fulfill statutory requirements for approval of new Ordinances.

The real estate market is caught up in its own abundance while growth in the job market, which fuels demand, has not kept pace. The effects of the Savings and Loan scandal of the 1980's leading to Bank Foreclosures and the FDIC subsidized saturation of bargain properties in the 1990's is a real concern.

The lack of planning on the part of opportunistic would be developers who grab these FDIC sales at pennies on the dollar constitutes an emergency for the local municipal government. We must not allow the local tax rate to finance the cost of this bailout. Constant monitoring of market activity and a strict interpretation of regulations can give the tax-payer the certainty that the rural lifestyle we treasure is being preserved.

This is not as simple as approving a subdivision of the home property for the next generation. It is, therefore, imperative that the municipality guarantee orderly planning through the adoption of precise citizen land owner approved regulatory standards and take specific steps to protect the quality of rural life that the planning process is designed to facilitate.

We encourage any citizen land owner or resident to become a part of the process in developing good planning in our community. We meet every third Tuesday at 7:00 PM at the New Hampton Town Office.

Respectfully submitted,

Bernard L. Smith, Chairman
New Hampton Planning Board

Zoning Board of Adjustment

The Board had a number of difficult issues to deal with during 1993. This activity resulted in an above average cost for attorney legal services and overspent our planned budget. It is frankly impossible to accurately estimate expenses of this type. Normally the administrative cost of the ZBA is offset by fees collected, regretfully this year it was not.

The largest single legal cost was due to a protracted case involving an out-of-town applicant requesting to place a large bridge in the Pemigewasset River Overlay District. The ZBA denied the requested variance; it was appealed to the Superior Court (in Laconia), which upheld the Town. The applicant has since appealed the case to the Supreme Court (in Concord). No decision at this time.

The Planning Board has placed a number of zoning enhancements and changes on the ballot for your consideration. The ZBA supports these changes. If you have any questions on the recommended changes, please contact the Planning Board or the ZBA members.

Our regular meetings are on the first Wednesday of each month at 7:30 PM. in the Selectmen's Office. You are most welcome to attend.

I wish to thank my fellow board members who have spent considerable time and have given thoughtful consideration to the somewhat difficult tasks before us during 1993. Being fair in its review of requested exceptions or variances; fair to the Town in the application of zoning rules and constrained in these decisions based upon Court decisions and guidance is at the very least difficult. Your neighbors have served you and the Town well!

Respectfully submitted,

A. Alden Hofling
Chairman

Lakes Region Planning Commission

1993 Report

The Lakes Region Planning Commission is a voluntary association of local communities designated by area towns as the organization that brings towns and cities within the Region together. By associating and pooling resources, local governments have a highly trained professional staff available to them for a wide variety of services. Areas of current expertise include land use planning, transportation planning, master planning, environmental planning, capital improvement programming, impact fee studies, economic and community development, housing, fiscal and environmental impact analysis, geographic information systems and computerized cartography, household hazardous waste collections and site plan review. Communities may also obtain the services of a professional planner on a regular basis through our circuit rider program. The Commission also serves as a collective voice in issues involving the state and federal government. We are cognizant of the role we have to protect and further the interests of our communities.

Your support enables the LRPC to undertake comprehensive regional planning and to carry out various projects and programs of regional benefit. Over the past year, the LRPC:

- o Provided consultation and assistance to thirty-one member communities.
- o Met repeatedly with state officials and agency representatives to influence policy and help keep the Region an active participant in many ongoing State programs.
- o Contracted and coordinated the 10th, and largest, regional household hazardous waste program in the Lakes Region serving over nineteen municipalities in a one day super collection.
- o Initiated the start of the Lake Winnepesaukee Watershed Project which includes the preparation of a Manual of Model Ordinances, especially for communities having lakefront lands.
- o Sponsored local sessions of the N.H. Law Lecture Series.
- o Served as a board member on the Belknap County Economic Development Council, a regional consortium of area towns for economic betterment.
- o Staffed critical parts of the U.S. Route 3 and N.H. Route 11 community oriented transportation study of the Route 3 & 11 transportation corridor from Franklin to Laconia. The final report is scheduled for early 1994.
- o Served on the Route 3 & 11 Policy Advisory Committee advocating a consensus approach for projects to be recommended in the 3 and 11 study.
- o Initiated discussion of state support for a study of siting a conference facility in the Lakes Region. Legislation for this idea was submitted in 1994 (SB 701).
- o Provided each town in the region with GIS plots of wetlands, through a cooperative project with the N.H. Office of State Planning. We are also represented on the N.H. GIS Advisory Committee. We are also working on a cooperative GIS partnership with Plymouth State College.

- o Started data collection efforts on the Route 16 Feasibility Study; a federally mandated study designed to investigate measures to preserve the Route 16 transportation corridor as an efficient conveyer of people and goods.
- o Initiated discussion on a land capability analysis of the Newfound Lake watershed. This effort will be funded by the N.H. Dept. of Environmental Services and will include assistance from the Newfound Lake Association and the communities within the watershed.
- o Continued to participate on and support the N.H. Heritage Trails efforts. The N.H. Heritage Trail is a recreational trail generally following the Pemigewasset and Merrimack Rivers from the Canadian border to the Massachusetts border.
- o Started a cooperative wetlands evaluation project with the Audobon Society, Office of State Planning and Central Region Planning Commission. Held two workshops and will work with Ossipee and Wolfeboro on wetland evaluations.
- o Met individually with all thirty-one towns in the region to discuss changes to the existing regional transportation improvement program. This information will assist the LRPC with the preparation of an updated regional transportation improvement program.
- o Completed point and non-point source pollution mapping of towns in the Region and transferred this information into the LRPC's geographic information system.
- o Continued to administer the Region II Transportation Advisory Committee in coordination with the N.H. Department of Transportation. This group meets throughout the year and has established regional transportation priorities which are annually presented to the Governor's Highway Advisory Council and the State Department of Transportation for future transportation improvement projects.
- o Continued to administer and participate in a number of master plan updates throughout the Region including, but not necessarily limited to Tamworth, Northfield, Holderness, Gilmanton and Sanbornton.
- o Received a special commendation for unique and significant accomplishments in the field of town, city and regional planning from the Northern New England Chapter of the American Planning Association for our Industrial Siting Study.

We look forward to serving your community during the coming year. Please feel free to contact us at 279-8171 whenever we can be of assistance.

New Hampton Community Kindergarten

The New Hampton Community Kindergarten continues to reach out to the town's children and to provide a sound educational experience. We have an enrollment this year of 19. Teacher Margaret Jeffers and assistant Heidi Sidwell are providing a quality pre-school program enhanced by library visits and field trips.

We are dependent upon the financial support of the Town, the continued generosity of the New Hampton Community Church, and parent fundraising, to maintain a financially stable and affordable program as well as a scholarship fund.

Everyone associated with the Kindergarten is grateful for the interest and support given by the people of New Hampton, and we ask for your continued help in providing this service for the Town.

Sincerely,

Dory Janelle
Barb Kettenring
Co-Presidents

Community Action Program

The Community Action Program is a local, community based, nonprofit organization dedicated to addressing the needs of the elderly and low income residents in the Town of New Hampton.

As the list below of services demonstrates, Meredith Area Center has continued to provide extensive and high quality human service programs to New Hampton residents throughout 1993. During the past year, we have provided \$52,087.00 in services to New Hampton residents. As you are aware, our major concern has always been and will continue to be, the delivery of needed services to the elderly, handicapped and low income residents of New Hampton.

Lakes Region Community Services Council

1993 Report

During the past year, Lakes Region Community Services Council has continued to provide transportation services to some of the developmentally disabled in New Hampton. Our other services continue to be an integral part of the lives of all the developmentally disabled, providing more work experiences and rehabilitative activities from them. At the same time, we continue to achieve efficiencies in cost containment. For example, we have increased our van fleet from 25 to 29 vehicles and measured our past year's mileage at nearly 600,000 miles. At the same time, we have been able to hold the inherent increase in cost due to this growth, to within reasonable expectations.

For the past three years, the town of New Hampton gave Lakes Region Community Services Council \$300.00. This amount was greatly appreciated and went directly into the purchase of new vehicles. We are deeply understanding of the fiscal pressures that town governments continue to face and we are committed to not add to this burden. As a result, we are asking for the identical amount this year.

Without support for transportation, our mentally retarded residents would become completely isolated. They would be unable to live in homes that in many cases are in relatively rural areas. Our transportation services are the key to a variety of day programs, both of a rehabilitative and employment nature. Lakes Region Community Services Council has been markedly successful in its goals for providing a much improved quality of life over previous institutional care, and at a much reduced cost. Transportation resources make community-based rehabilitation a reality. The results are increased independence and self-reliance, which is the crucial factor in reducing the overall cost of care.

Sincerely,

Stephen C. Maquire
Assistant Executive Director

Newfound Area Nursing Association

NANA

In our plan for 1994, we plan to become a Medicare Certified Hospice Provider. This will bring an added benefit to the terminally ill medicare recipients. Also in our long-range plan is getting accreditation from the Joint Commission Accreditation for Health Care. We continue to provide all other traditional home services and clinics. This past year we have begun a program to better address the needs of young families. We were successful in getting some funds from Grafton County to make this possible. Educational and Group support in this area have already begun.

The Newfound Area Nursing Association continues to experience an increase in demand for services, although not to the extent of the past two years. The percentage of growth for 1993 is projected to be about 10% as compared with 37% in 1992 and 60% in 1991. The proposed health care reform certainly indicates that home care will continue to grow no matter which plan one looks at.

Our Board of Directors has voted to seek a 5% \pm increase in town appropriations, using a formula based on population and use.

We are proud of our accomplishments in promoting health in our community. We are equally proud of our community in its strong support of our programs. Thank you for your support without which our efforts are not possible.

Sincerely,

Jeannine M. Martin
Executive Director

New Hampton Parks & Recreation Department

The Parks and Recreation Committee sponsored two events in 1993, both of which were very successful. The Easter Party was well attended by approximately 75 children and their families who enjoyed lunch with the Easter Bunny, an Easter hat parade and egg hunt. The Halloween Party featured the haunted house, reconstructed largely from the pressed boards and decorations from the previous year, along with games for various ages, a fortune teller and costume contest.

Many thanks to Mike and Linda Dowal, Ron and Val Magdich, who served as judges for both occasions. The committee also wishes to acknowledge with regret the resignation of Joanne Harris, who has worked to make these occasions so successful for many years.

Martha Huckins
Parks & Recreation

Bristol Community Center

1993 proved to be a very busy year for the Community Center. We offered three youth league programs (basketball, baseball/softball and soccer). Our baseball/softball program saw over 330 participants, 26 teams and 75 volunteers. The BCC basketball program doubled in number with more than 120 students playing every Saturday morning at the Center and the Middle School gymnasium. In addition to the youth leagues we organized Middle School Dances, instructional classes (aerobics, step aerobics, archery, art class, swim lessons, tap, ballet and jazz classes, karate classes, a Science through Arts program and tennis lessons, etc.); Mom and Tot Time, Adult Basketball, Badminton, Summer Playground, Summer Day Camp, Summer Senior Camp, Newfound Theatre Company, a Summer Preschool Program, Summer Baseball, Summer Basketball and new this year a Summer Basketball Camp. The Center also sponsored and organized 19 different fundraising events which included our annual March Ice Breaker Dance and our August Lobster and Chicken Supper. All of our success is due to the number of volunteers that donate their time to our program.

New Hampton residents participated in the following programs:

Aerobics	Aerobics (morning)	Art Class
Baseball (travel)	Baseball	Baseball (senior)
Adult Basketball	Basketball (travel)	Basketball
SMARTS Class	Summer Basketball	Boy Scouts
Camps (Summer)	Dances	Girl Scouts
Ghostwalk	Soccer League	Open House
Open House (Sat.)	Swimming Lessons	
Softball League	Senior Softball	Teeball

We would like to thank all New Hampton residents who participated in the programs and special events. Special thanks are owed to all the parents who came out and supported the Bristol Community Center last year at town meeting. We had another successful year.

This year the Bristol Recreation Advisory Council replaced the old gym floor. Special thanks goes out to the following businesses, individuals and towns for financially helping or volunteering their time to enable this large project to be completed: R P Williams; Freudenberg NOK; Freudenberg Norstar; Calley & Currier; Caristi Flooring; Bristol Energy Corp.; Dead River Co.; The Homestead Restaurant and The Patio Restaurant; MarCam Inc.; NRH Class of 1952; Robert Reynolds; Sam Worthen; Don Towle; Karen Bush and the Friends of the BCC. A heartfelt thank you goes out to the towns of Alexandria and Hebron for supporting us through their town meeting and voting in an additional \$1400 to go towards this project! In 1994 the Center will be under renovations to establish a handicap entrance and main floor.

The Center thanks the School District for their continual support in all the BCC youth league programs. We would also like to express our sincere gratitude to Freudenberg NOK for their annual donation and their printing services and R P Williams for their support in maintenance and upkeep of the 103 year old building. We cannot thank them enough for all they do for our organization.

The Community Center will see its 48th year of service to the Newfound area and we hope you will help us celebrate by participating in the 1994 agenda of programs and special events.

Sincerely,

Beth Mitchell, Director
Bristol Community Center

Youth Services Bureau

The Youth Services Bureau has been providing direct services to the Town of New Hampton through the Court Diversion Program and short term counseling services since 1990.

The Youth Services Bureau's Court Diversion Program provides a variety of experiences which allows every youth to be held responsible and accountable for their behaviors and actions. In addition, this program also addresses other important issues in an effort to prevent these youths from becoming repeat offenders. It is significant to note that the percentage of young people who go on to commit further offenses within one year of completing this program is only 8.9%. It is the position of the Youth Services Bureau that while the youth referred is the primary recipient of services, these programs extend much further than to just those individuals. The recipient's families, parents, siblings, as well as the victims and residents of the entire New Hampton community benefit as well. Through restitution, community service, education and networking, the Youth Services Bureau's Court Diversion Program delivers comprehensive services that are of benefit to all of the aforementioned and more importantly, are not traditionally found in the adjudication process. Our police departments and criminal justice system are not financially equipped or staffed to provide the services necessary to address each juvenile's need.

In the fall of 1987 the Youth Services Bureau developed two new programs; drug abuse reduction training (DART) and the Youth Companion Program. Dart (now known as the Challenge Course), is a community based resource designed to provide youths ages 13-18 with the information and tools necessary to understand substance abuse so that they can make positive decisions about alcohol/drug involvement in their lives.

The Youth Companion Program is designed to provide companionship and a positive role model on a one to one basis for elementary aged boys and girls. Appropriate high school students are recruited as the volunteer companions.

The Youth Services Bureau's budget requests have always demonstrated fiscal responsibility and exhaustive dedication to fiscal accountability and frugality. When additional sources of funding are available (i.e. the state 5% incentive funds) or any unforeseen occurrences permit us to spend less, all unused monies are returned to the towns (as demonstrated by the 1992-93 return of \$190.96 to the Town of New Hampton.)

This year the Youth Services Bureau requests level funding of \$2,877.32 from the Town of New Hampton for the 1994-95 fiscal year. To make it possible to stay at level funding from our consortium of communities and to alleviate any additional burden to the taxpayers of the funding communities, we will once again pursue additional funding from the State of N.H. 5% Incentive Funds Program distributed by Belknap County. Our budget proposition is based upon this anticipated Belknap County funding with 5% Incentive Funds. It is our hope that the Town of New Hampton will continue to support the Youth Services Bureau in our quest to provide valid, viable, effective and comprehensive services to the youths, families and residents of the New Hampton community.

If you have any further questions or concerns please don't hesitate to contact either the Youth Services Bureau or Board of Directors' Chairman James Carroll.
